**KEY OBJECTIVES**

1. (SBU) Some things to talk about: A lot of things have changed since December, haven't they?:
  - A talking point is here
  - And here is another talking point, that contains more words
  - This third talking point will have yet more words, once I stop typing, but I think I will type for a bit longer in order to see if I can make the words wrap around in the final document.
2. (SBU) Here is another topic: It is important to discuss this topic because of reasons. There are many, many reasons to discuss this, some of which we will go into below.:
  - Reason 1 is that this is a wonderful topic to talk about, whatever it is.
  - Reason 2 is that I want to test this system. Oh, and let's not forget, one thing is that you don't want to pause on this page for too long, or else all of your typing will get ignored.

**WATCH OUT FOR/IF RAISED**

1. (SBU - PII) Ooh, yes, if she asks for my SSN, that will be sensitive: Yes, we need to keep Angela Merkel from stealing our SSNs.
  - It is always important to keep our PII private, because there is a huge dark web that is hungry for any and all PII that it can use to go on shopping sprees and ruin your credit.

- **Of course, maybe she just wants to pay my income taxes for me...but no, even if she did that, she could run up a large credit card bill and ruin my credit. So, it would not be a good idea.**
